### About the Institute

B.S. Abdur Rahman Crescent Institute of Science & Technology, (formerly B.S. Abdur Rahman Crescent Engineering College) has been established under section 3 of the UGC Act 1956. The University is located in the outskirts of Chennai city on the G.S.T. Road, (Chennai-Trichy National Highway) 7 km from Tambaram and 2 km from Vandalar Railway Station and 17 km from International Airport. Being adjacent to the Arignar Anna Zoological Park, it is easily accessible by city buses.

B.S. Abdur Rahman Crescent Engineering College, which has now been upgraded as University, was an institution acclaimed throughout India for its quality in teaching and research. Being one of the largest engineering institutions in India, it lays emphasis on innovative research, investment in high-quality facilities and first-rate infrastructure. By making use of the latest technologies and quality teaching, the college is able to offer a wide choice of interdisciplinary degrees in engineering which has enabled students to gain accolades on a global level. It is one of the few institutions with all the UG and PG programmes approved by AICTE and accredited by the National Board of Accreditation. The College has been upgraded to University status with an intent to keep academics in pace with development in industry.

Students are imparted knowledge and provided ample opportunities to test their knowledge in real-time industrial situations and during this pursuit, their character traits are shaped and fine-tuned to enable them to initiate, compete, lead and share and become good human beings.

The placement record of the institution is remarkable and most students chart their careers well before their graduation. All the graduates from its portals either occupy prestigious positions in multinational companies or join institutions of higher learning in India and abroad. Some of the graduates turn entrepreneurs with the guidance of Entrepreneurship Development Cell and Industry-Institute Partnership Cell.

Modern residential facilities are available for men and women students separately within the University campus.

### Physical Education Department

Our Institute has all the infrastructure to play all the outdoor games like Foot Ball, Cricket, Basket Ball, Volleyball, Kabaddi, Ball Badminton, Tennis and Indoor games like Table Tennis, Carrom, Chess etc., We have a standard 400 Metres Athletic Track with full equipments, swimming pool, a well equipped modern fitness centre for Men and Women separately. Our students won prizes at the National Level and State Level Competitions. Our Institution won the Anna University Zonal Champion College Award for six consecutive years from 2003-04 to 2008-09. Our University is organizing various State level tournaments regularly. Our Institution had the honour of organizing a mega sports festival, the Tamilnadu Inter Engineering Sports (TIES - 2001) during the year 2001 in our campus. Around 10,000 sports persons both men and women, from 87 Engineering Colleges from all over the State participated in 20 disciplines including Athletics, spread over 13 days. Our University had the honour of organizing All India Inter University Ball Badminton Women Tournament during the year 2014-15. Around 800 players from 80 Universities across the country participated in the tournament.

### Alhaj Dr. B.S. Abdur Rahman Founder's Trophy Foot Ball Tournament (Men)

Our beloved founder Alhaj Dr. B.S. Abdur Rahman is dedicated to the cause of education in its totality. The cognitive skills have a value of their own and their special status in the scheme of education is beyond a shadow of doubt. The psychomotor skills deserve equal attention and reinforced promotion measures.

Our beloved Founder is quite aware of this and so he contributed liberally in constructing a state-of-the-art stadium and swimming pool at Ramnada. Almost all the educational institutions in different parts of the state are growing under his personal patronage from strength to strength.

Sports and games have been given a co-curricular status. Founder's Trophy Football Tournament is a fitting tribute to Alhaj Dr. B.S. Abdur Rahman for his yeoman services and missionary zeal to the cause of physical education.

We have instituted a Trophy to be awarded to the winners of Football Tournament to be organized annually in his honour. This year is the eighteenth year of the Founder's Trophy Tournament.

### Prof. S. Peer Mohamed Memorial Trophy Basket Ball Tournament (Men)

Prof. S. Peer Mohamed was the founder Principal and Director of Crescent Engg. College which has been adjudged as one of the best institution in Tamilnadu. He has been subsequently elevated to the level of the secretary and correspondent of the college. He has been continuously involved in the development and growth of Technical Education in the state for more than 4 decades.

Prof. S. Peer Mohamed was an ardent lover of sports and games. Even as a student in the Board High School, he participated in all the games and athletics. He was very much interested in Basket Ball and represented the School in the tournaments at the District and Zonal level.

In the Intermediate college at Tirunelveli, he was selected to represent the College as the Captain of the College Basket Ball team bringing laurels to his Alma Mater.

In the final stage of his educational career he represented the College of Engineering, Ananthapur, in Basket Ball and took part in the various tournaments conducted by the University of Madras and other sponsors. He was a very popular Captain.

Keeping in view the overall accomplishments in Academics and Sports, especially Basket Ball, a state level inter collegiate tournament is conducted in his name. This is the twelfth year of the tournament.
